

Winter Weather Policy
Approved 11-14-2024

With consideration for the safety of our staff and congregation members, if LPS is closed for the day due to winter weather conditions that are deemed hazardous for driving, all events and meetings at the church will be canceled. The office may also be closed for all or part of the day. The congregation and any affected groups will be notified via email.

The decision to cancel Sunday services due to weather conditions will ideally be made no later than Saturday noon when possible, by the Pastor, Director of Christian Education, and Director of Music. Should the decision be made to cancel, notices will be sent out to the congregation via email, placed on the church Facebook Page and website, and a notice sent to the cancellation services of 1011 News.
