First Presbyterian Church, Lincoln, Nebraska

CHURCH FACILITIES USE POLICIES AND REGULATIONS

Approved May 22, 2025

First Presbyterian Church wishes to assist community groups and promote our church's important Christian witness. Many organizations use our church facilities throughout the year; their cooperation is needed and appreciated. This is a House of Worship, built and maintained as a place for worship, Christian education, and appropriate social witness. It is not a public building. All groups are expected to show proper respect.

Groups requesting use of church facilities should offer community, educational, or religious services. All applications and approvals for the use of Church facilities are under the authority of the Session of First Presbyterian Church and administered by the Church Administrator.

Building Use Application Forms may be obtained from the Church Administrator. A representative of the organization must sign and return the form to the church office with the fee and deposit where required. Sufficient time should be allowed for processing the application. The representative signing the contract accepts responsibility for the group conforming to the following regulations and *provides proof of insurance where necessary.* If it is not approved, the fee and deposit will be returned.

All building use approvals shall have a time limit of no more than one year. If continued use of facilities is desired, the organization/group shall re-apply for approval at least 2 months prior to the expiration of the previous contract.

The Church reserves the right at any time to refuse the use of the building to any persons and/or organizations who do not comply with our standards of conduct or with our regulations for the use of the building. The church has the right to ask the persons and/or organizations to leave immediately.

1. Meeting times shall not conflict with church programming and services. Church facilities are generally NOT available (with the exception of weddings, funerals, and church programs):
    a. On religious holidays (such as Good Friday, Christmas Eve, etc.) and national holidays.
    b. On Sundays, which are reserved for church services and programs.

    a. Groups may not use additional space beyond what is approved in the Building Use Application Form (halls, rooms, Courtyard) unless approved by the Church Administrator. Additional fees may apply.
    b. Groups, when necessary, may be moved to another available space. Organizations with a long-term use arrangement will be given 30-day notice if the space is no longer available for ongoing use.

c. Groups are expected to pursue the most direct routes to meeting rooms and should be aware of proper, nearest exits. Those attending events in the Church are expected to remain with their groups and not be wandering outside of approved spaces.
d. Furniture is not to be moved from one room to another and room setups are not to be changed without the approval of the Church Administrator. Extra chairs, furniture, or equipment shall be obtained by request to the Church Administrator.
e. If equipment and/or furnishings in the sanctuary need to be moved to accommodate your function you will need to complete an additional form entitled "Guidelines for Moving Chancel Furnishings." Only approved representatives shall move equipment and/or furnishings and make arrangements to have them replaced.

3. Equipment:
    a. Groups using specific equipment for their activities are expected to bring, set up, and remove equipment. This should not involve Church employees. The equipment cannot be stored on Church property.
    b. Requests to use church electronic equipment (projectors, sound system, etc.) shall be directed to the Church Administrator. Groups are responsible for providing their own laptops and adaptors.
    c. The sanctuary organ may only be used by qualified persons who have specific permission of the Music Director, the Organist, or the Lead Pastor. The church Administrator should be informed when such permission has been granted.

4. Cleaning:
    a. It will be the discretion of the Church Administrator if a group shall meet in the building without the services of a custodian.
    b. Rooms shall be left in a clean and orderly condition after meetings, and rooms shall be left set up as they were when the group arrived.
    c. Restrooms shall be left orderly with all trash in trash receptacles.
    d. Any food or drink spilled on carpets should be cleaned immediately and the Church Administrator notified to prevent permanent staining or damage. NO DECAF COFFEE is to be served.

5. Children and Youth:
    a. Youth and children must be properly supervised and chaperoned by someone 18 or older, 1 adult for every 6 children under the age of 12 with a minimum of 2 adults.
    b. Nursery:
        i. Use shall be scheduled ahead of time. At least one adult must be present in the Nursery for every 4 children if any of the children are 18 months old or younger.         ii. Groups shall supply their own facial tissues, diapers, and special equipment. Play equipment shall be put away neatly after use, and shall be replaced or repaired if broken. All equipment used should be wiped down with a sanitizer that we can provide.
